**Tips to do your best SAT**

**Know the directions before the test!**
Visit the SAT website or use sample booklets for examples.

**Check it out!**
Make sure your questions and sections match your answer sheet!

**Take 1**
Mark only one answer for each multiple choice question.

**Leave it!**
Skip questions that you have no idea how to answer.

**Answer easy questions first**
Then go back to the more difficult questions.

**Take the PSAT/NMSQT to practice**

**Know the score!**
1 point for correct answers; Lose a fraction of a point for incorrect answers *

**Guess!**
Make a guess if you can rule out one or more answers as being wrong .
